An Invitation

THE EASTONIA extends to you a cordial invitation to recall through the medium of this volume the pleasant school activities and associations of Utah's Centennial Year, 1947.

FALL

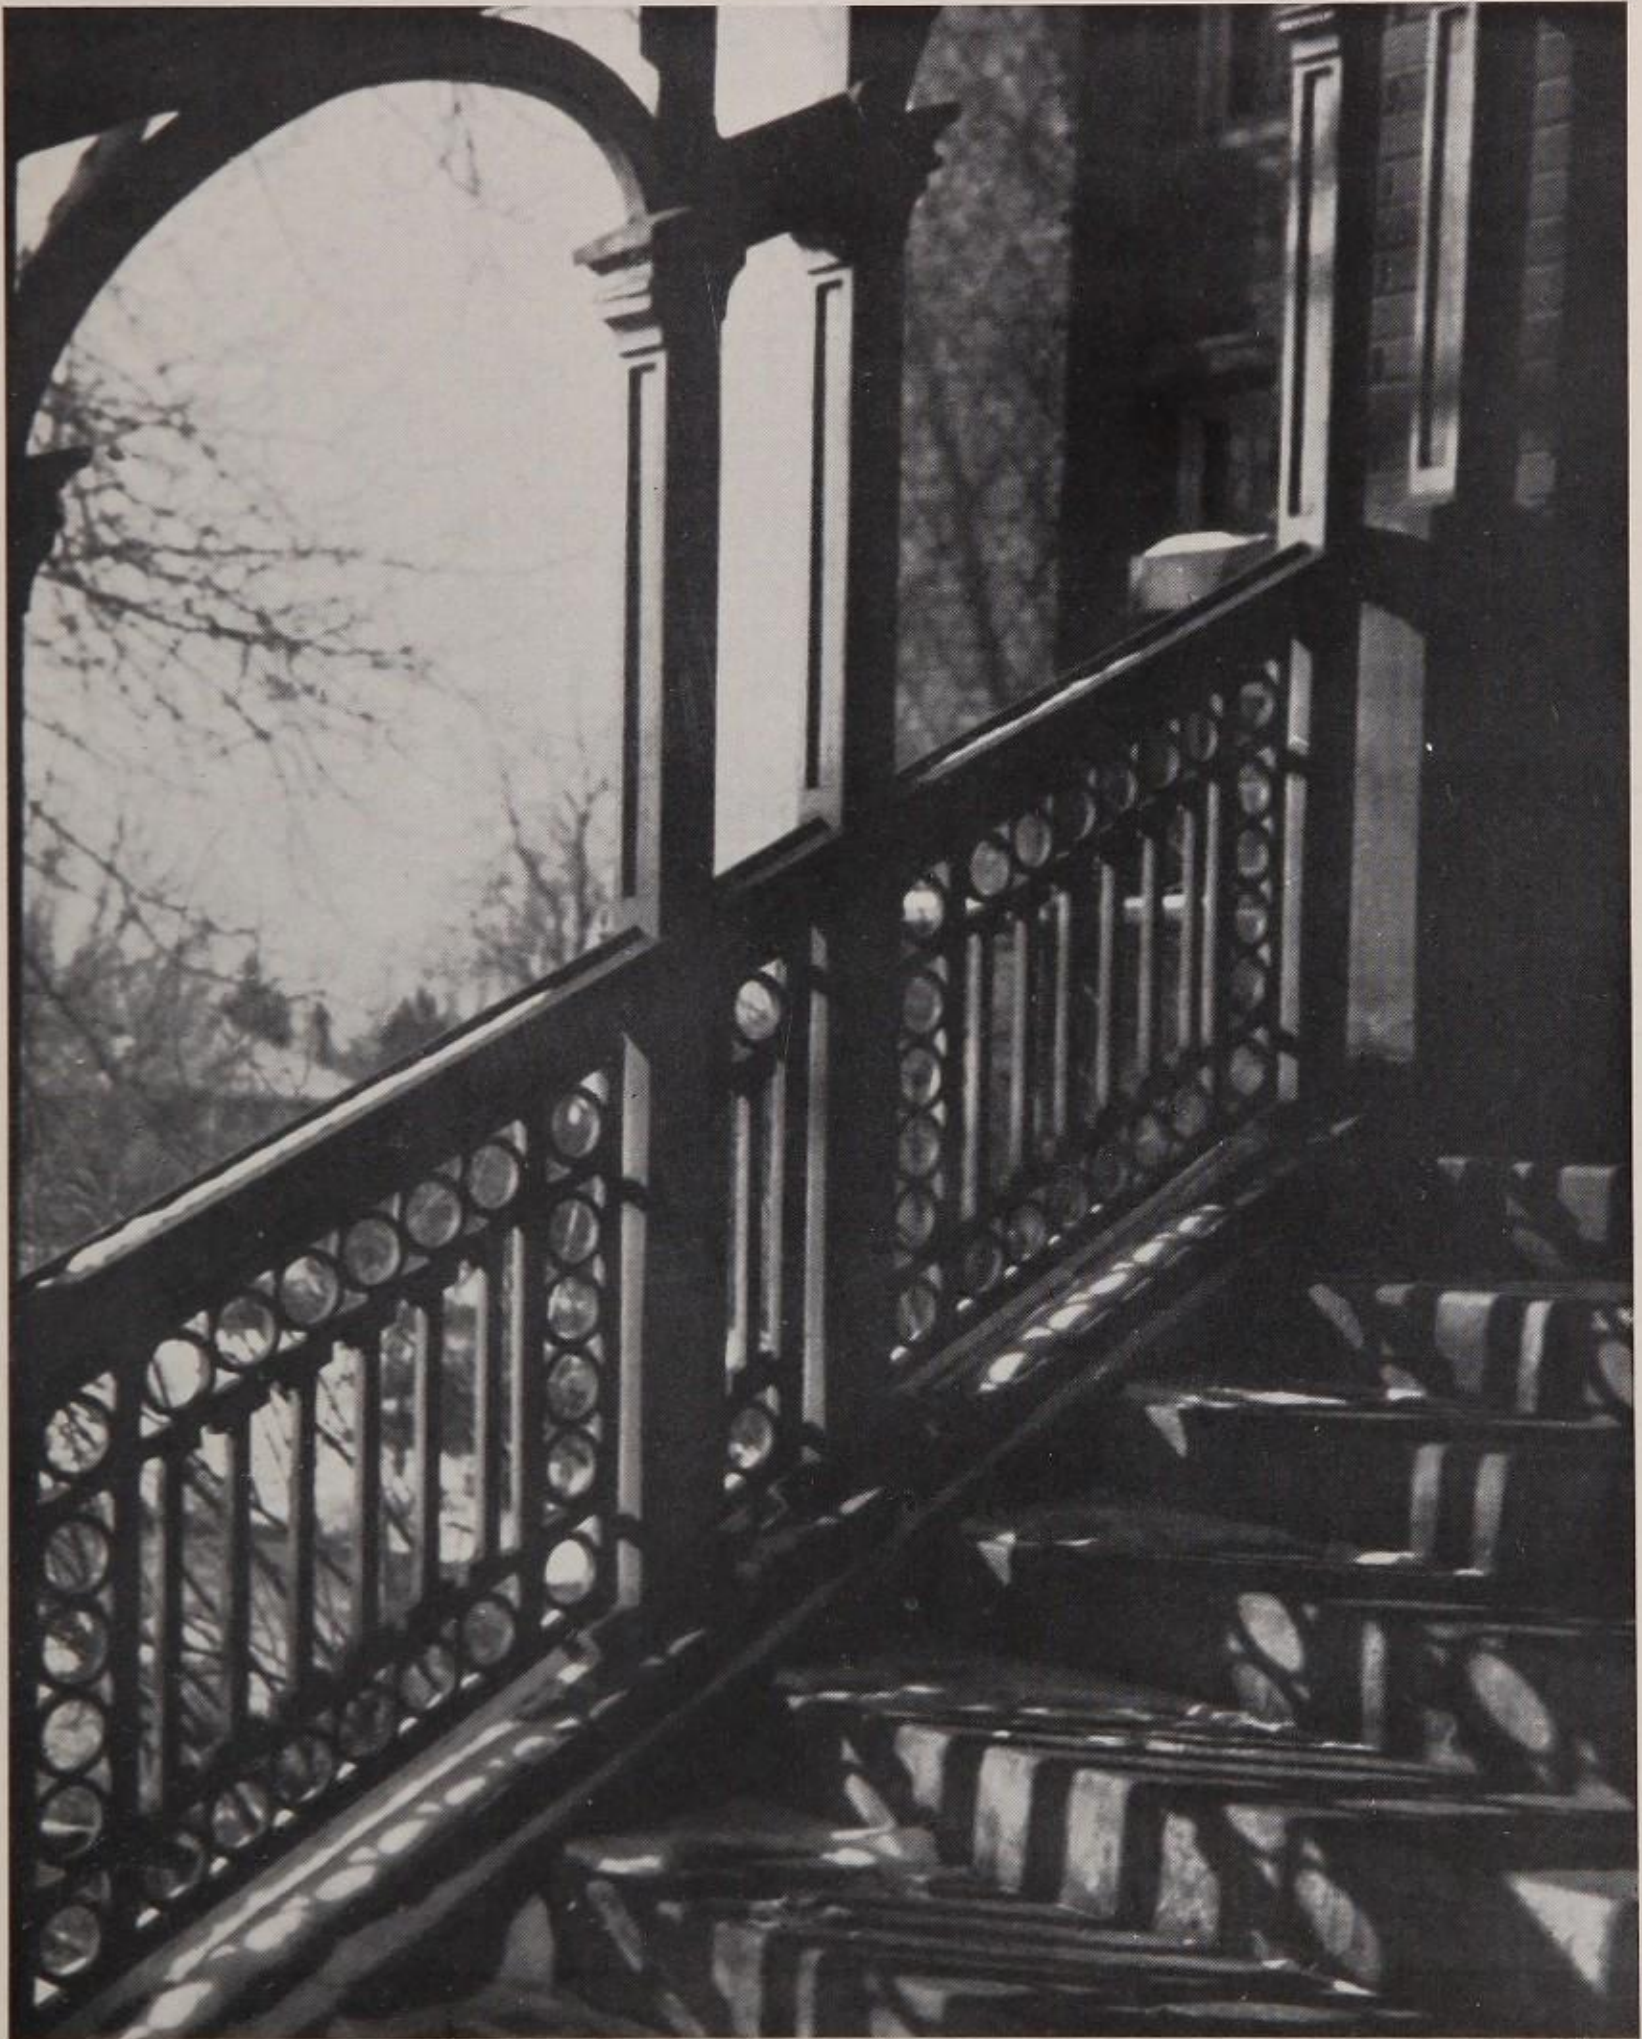

East High, framed in striking autumn splendor, began a new school year, the students looking to the future for pleasant associations and activities ahead.

As the leaves turned to hues of gold and brown and the excitement of opening days of school was over, East High students prepared for another adventure in learning.

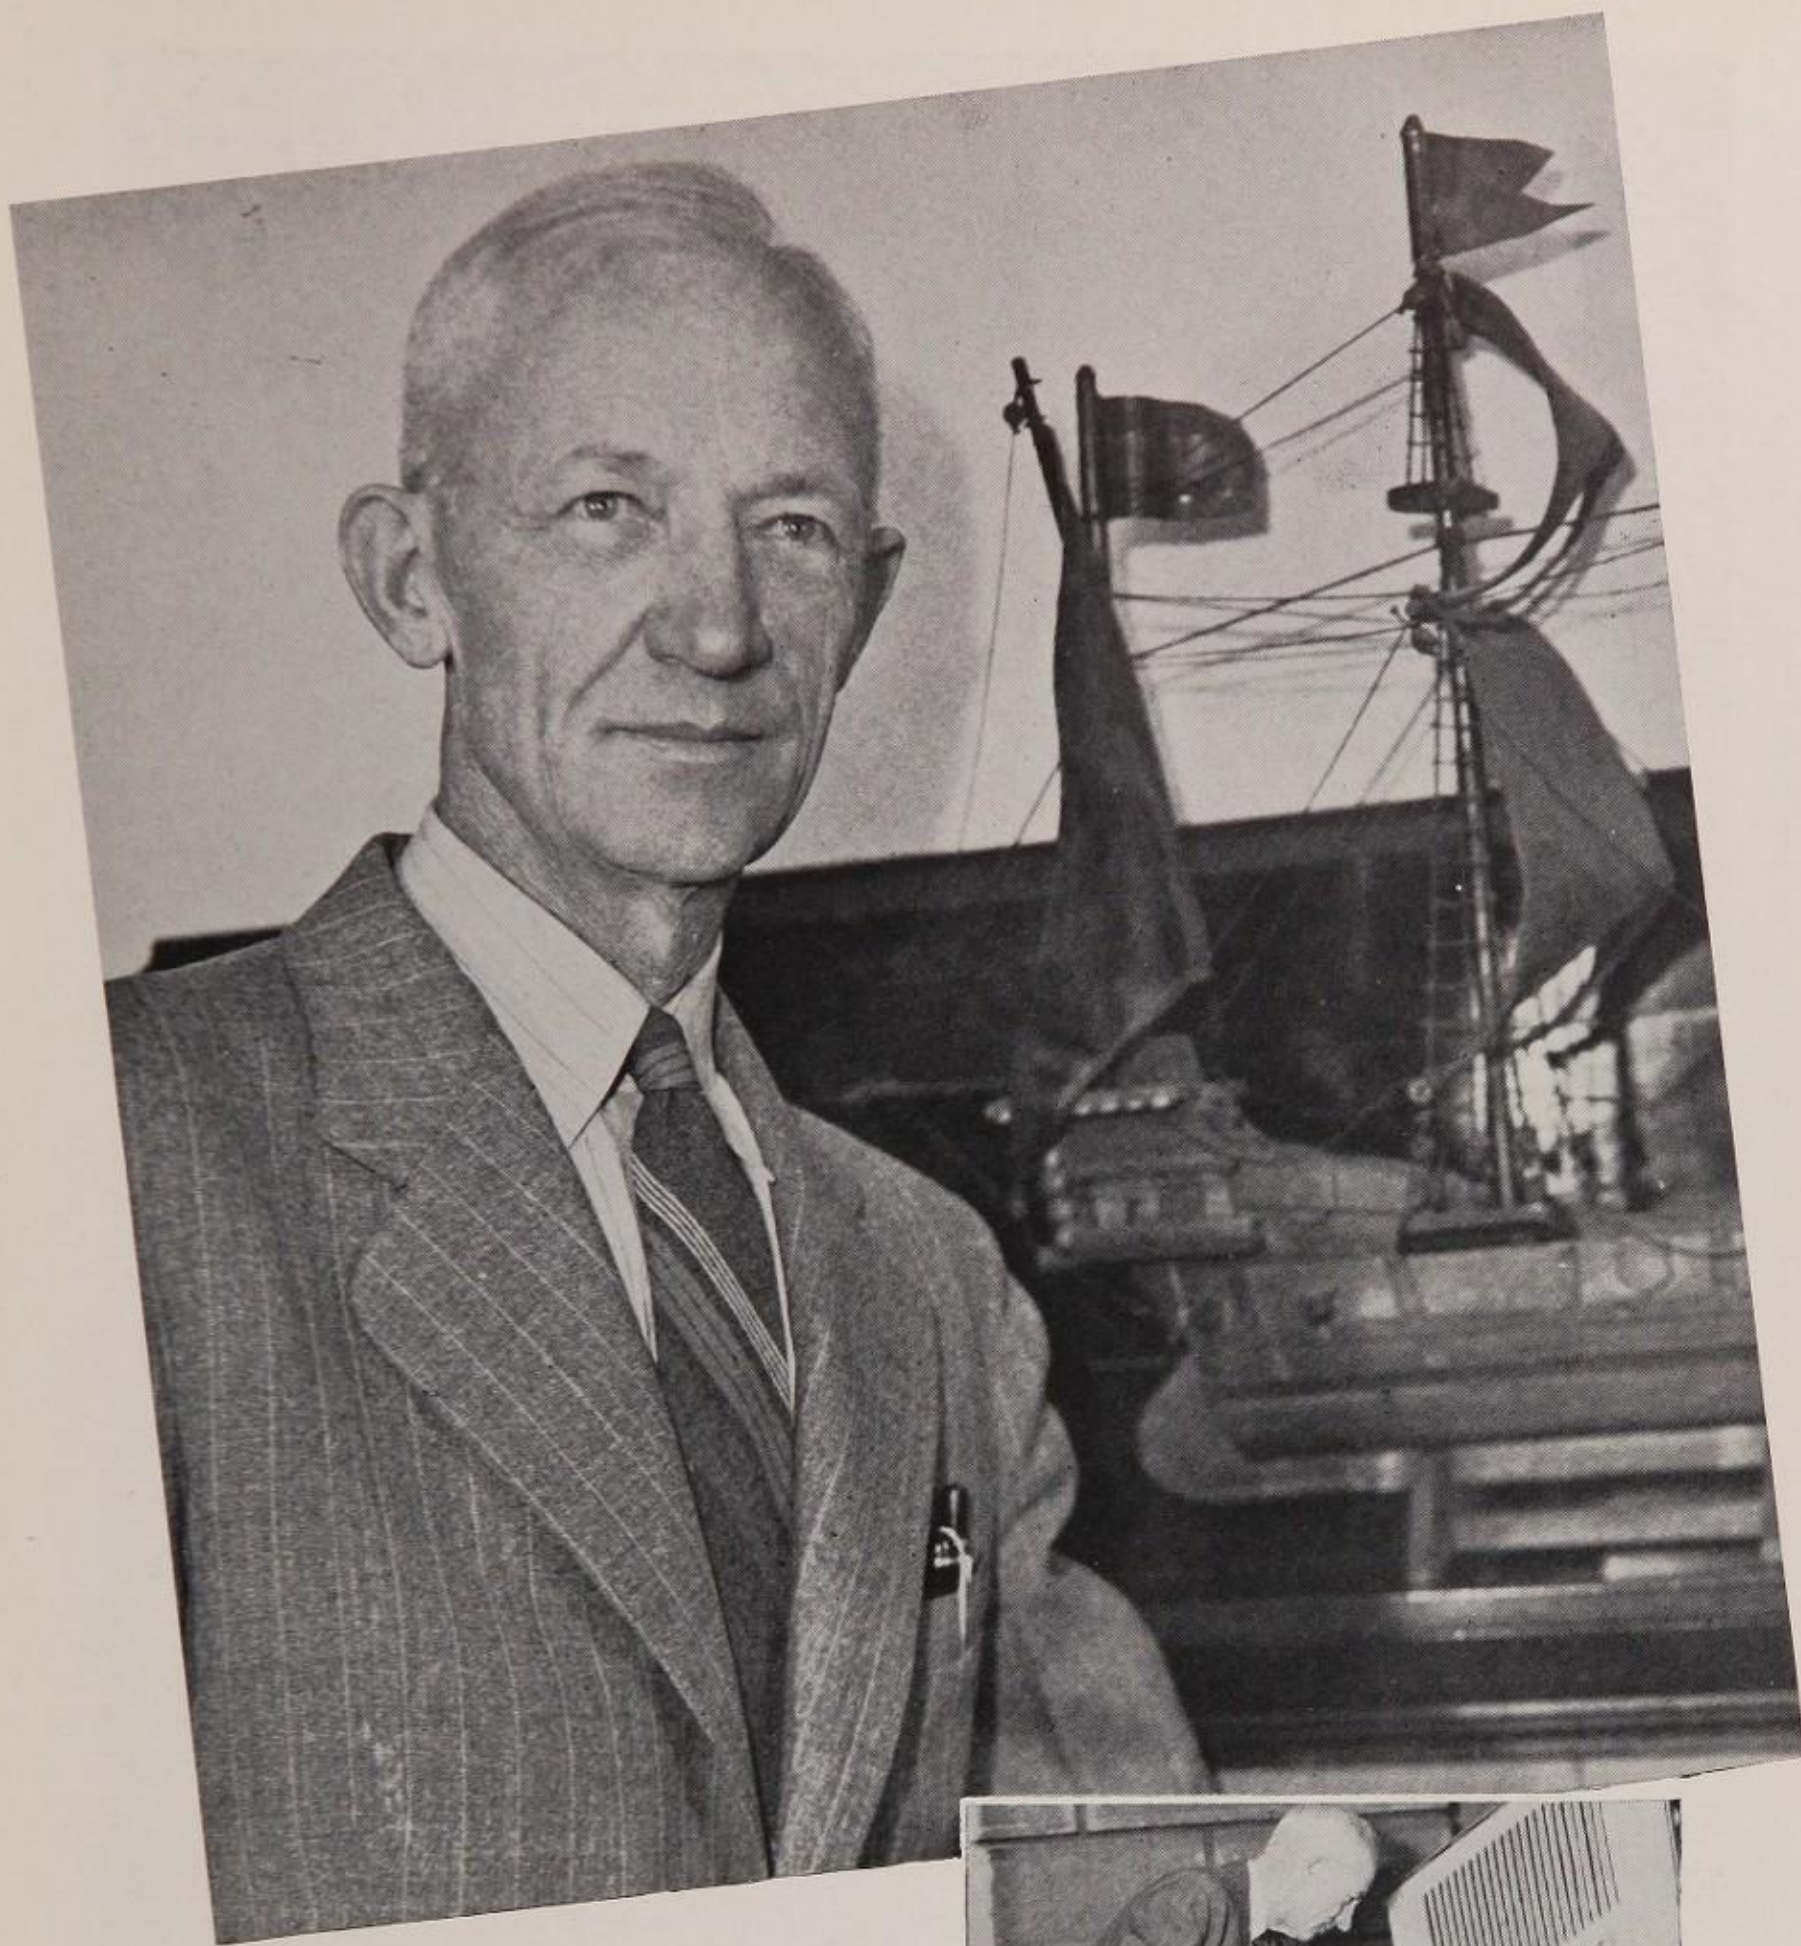

The slanting rays of the autumn sun weave intricate patterns of sunlight and shadow on the covered stairways.

Principal Frank S. Allen

Guiding East through this year with flying colors, Mr. Allen upholds all her standards and traditions. Wholeheartedly supporting the student body in attaining their goals, aiding the supervision of the Board of Control, he, with quiet, dignified competence, fills his position of trust well.

Vice-Principal C. Oren Wilson

As faithful to East as his car is to him, Mr. Wilson has won the respect and admiration of every student through his jovial outlook on difficult matters. He has well proved his ability and worthiness as vice-principal of East.

Deans

MR. GARFF

Major Garff is the man behind the A. B. of E. His job is to help solve the problems of our East High men. The "Major" is always ready and eager to give generous, helpful aid and advice to those seeking it.

MISS UTERMANN

E.H.A.G.'s hard-working ally, a favorite of the girls, Miss Utermann is a charming, sincere person with a heart of gold. She is always ready to do anything for East or for her girls.

Superintendents

Dr. Lynn Bennion, superintendent of Salt Lake City schools, made himself a welcome visitor to East. His time and efforts are spent in helping us to obtain a better education.

Mr. Ernest Hanson conscientiously helped direct our school training. He always does for East the best that can be done by anyone.

In Memoriam

East High School students and faculty pay tribute to Mr. Royal H. Daw, deceased mathematics teacher. He will always be remembered by his many students for his untiring service and devotion to their interests and activities.

Committees

PROGRAM COMMITTEE

The credit for securing the fine talent presented on East's assemblies goes to the members of this group.

Walt Johnson, Tom Greene, Jean Washburn, Cal Clark, Margie Silvers, Mr. Zarr, Miss Beaty, Mr. Wilson.

SOCIAL COMMITTEE

Under the direction of the deans and the social committee, social events were high spots in the school year.

Jeanne Maw, Mr. Garff, Miss Utermann, Tom Greene, Cal Clark, Mary Lou Young.

RED CROSS COMMITTEE

The Red Cross has benefited by the fine work of these students in promoting and collecting contributions to that organization.

Dale Johnson, Margaret Vorse, Marilyn Cliff, Rod Kump.

PIONEER DAY COMMITTEE

These members of the Pioneer Day Committee worked long and hard to prepare an interesting celebration.

Walt Johnson, George Strike, Bert Rogers, Cal Clark, Miss Gorlinski, Bob Lambert, Jean Washburn, Tom Greene, Harry Murphy.

ARLENE

Meet the student body officers who aided Cal in making a successful year of '47. As vice-president, Arlene Starborg was an excellent school historian, keeping a scrapbook of all East High's publicity and fame. Jean Washburn, our energetic, attractive secretary, capably fulfilled her secretarial duties. Business Manager Tom Greene rendered the students the best possible service in every respect.

Board of Control

Handling matters concerning students, their money and their school is the important job of the Board of Control. In its biweekly meetings are discussed the student body's problems. This group of student officers strives always to keep our school on top.

A. B. of E.

The president of the boys' organization, Chick Thomas, and Major Garff helped bring to all the boys of East a chance to participate in such activities as the boys' assembly and dance, a table-tennis tournament, and an intramural basketball tournament. The A. B. of E. officers have done well this year.

E. H. A. G.

A senior-junior girls' tea, a mothers' and daughters' costume party, a ping-pong tournament, and the annual girls' assembly and dance were some of the events highlighting a successful year. The success of these activities was largely due to the efforts of President Beverlee Nielson and Miss Utermann.

Football

The rough and tumble sport of football is a favorite at the hilltop school. East's teams are always among the best.

Managers

The Athletic Managers are those men behind the teams who contribute a great deal to the success of East's athletic endeavors. The unheralded work they do is extremely important. Managers this year were Bill Hunter, Bob Earl, Bill Sadler, George Mang, Jim Ward, and Stanley Richards.

Mick Oswald

Mick Oswald must be complimented on his consistently fine work of coaching. The "A" football, "B" basketball, baseball, and tennis teams which he directs are always among the finest in the state.

Coaches

These athletic directors are largely responsible for the fine showings of East High teams.

Harold Johnson

An indispensable member of the athletic department is Harold Johnson. His "B" football and "A" basketball teams reflect the excellent job of coaching he does.

Iman Hales

Iman Hales is well-known as an able, competent coach. His ability in coaching the junior varsity football and basketball, wrestling, and track teams is widely recognized.

"A" Football

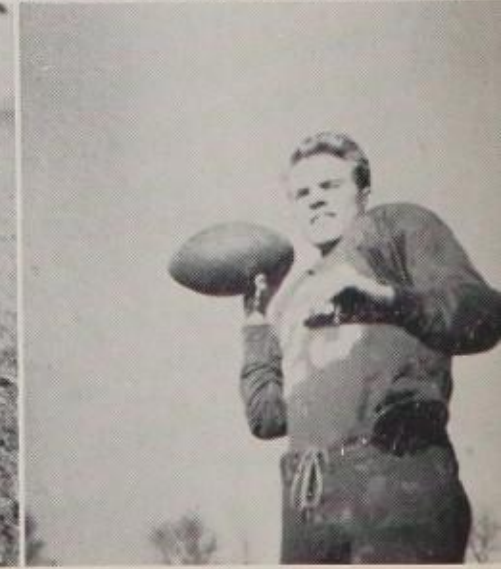

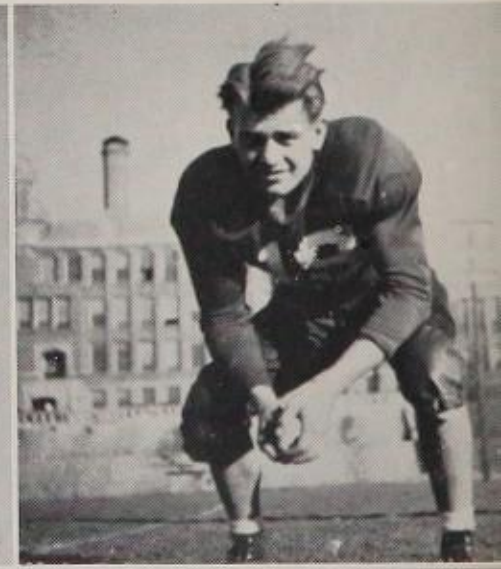

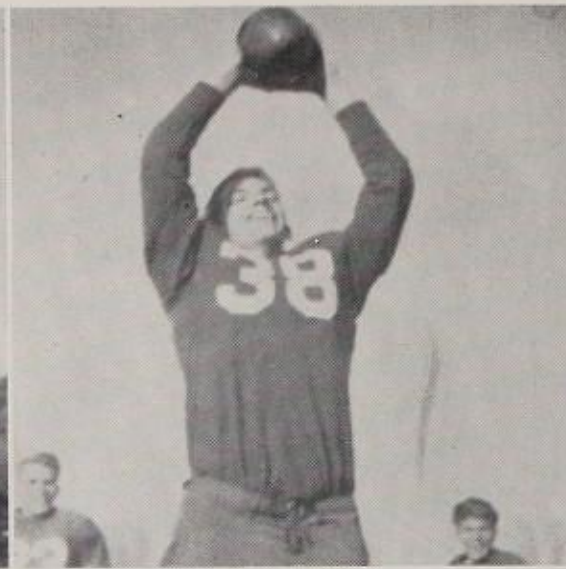

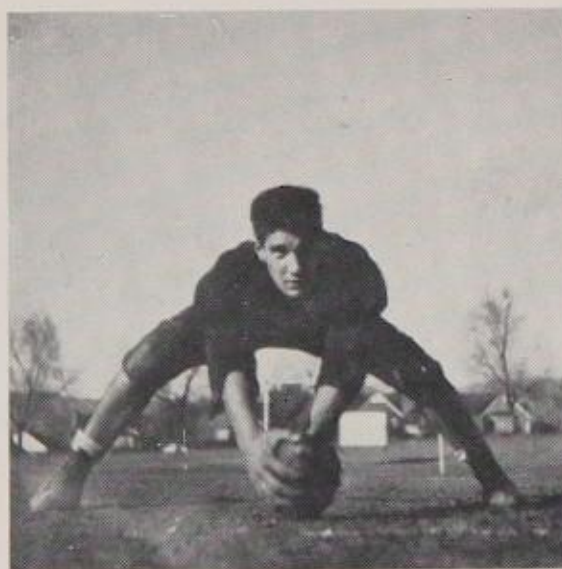

It took long, hard hours of practice to perfect a team with the strength of experience.

East vs. McKinley was one of the most interesting and exciting games of the year. When the first half ended, East was within a few feet of the Hawaiian goal. The black-and-orange visitors came back in the second half to make the only touchdown and win by a scant seven points.

Cal receives a gift from the president of McKinley High.

The McKinley players sing their native and school songs.

"A" Team Record

East began its football season this year by defeating Weber, 33-6. The following week the Leopards traveled to Provo to trample over the strong and highly respected Bulldog team, 18-0. The results of these two pre-season games made East a favorite in the newly formed Big Nine.

In their first league game of the year the Leopards met Jordan on East's muddy field, to fall before the powerful Beetdiggers, 13-7. Hardly having recovered from this blow, the Leopards again fell before a snappy McKinley High team from Hawaii, 7-0, in a close, hard fought battle at the University of Utah stadium. The succeeding week, however, East came back to defeat the Carbon Dinosaurs by a score of 13 to 6.

The next four games saw East take two defeats but also gain two more decisive victories. In the first of these games, East defeated the Granite Farmers, 25-0. Homecoming saw the Leopards playing host to West High. On a snow-covered field, in what was probably the hardest battle of the year, the Panthers finally scored to win the game, 6-0. East was defeated again in the next game by Ogden by a score of 6-0. In their last game, Coach Oswald's players exhibited offensive strength that surpassed previous performances to win from South, 13-0, and finished in fourth place.

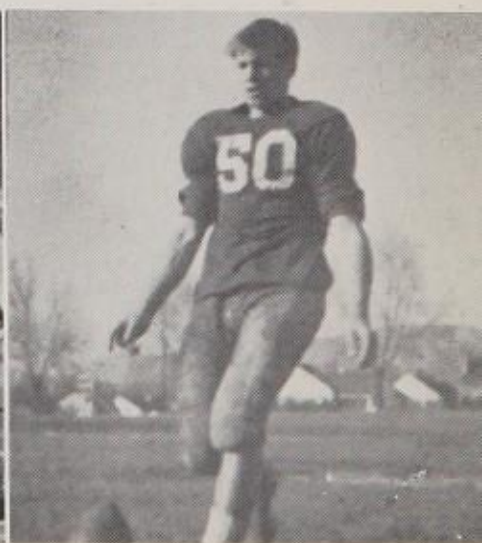

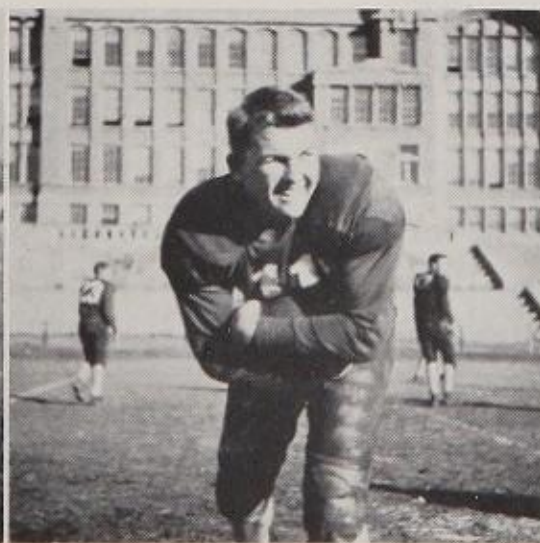

Outstanding in the backfield were George Bean, Ray Ericson, Rod Parkin, and Sandy Morris. Linemen Cal Clark, Jack Noble, Gordon Woolley, Bob Lambert, and Chick Thomas helped give East its fighting spirit and nearly invincible line.

Junior Varsity Football

The Junior Varsity Squad under Iman Hales completed a nearly perfect season by winning first place in league competition. Except for a loss to Jordan at the first of the season, it was unbeaten. Some of the noteworthy players on an outstanding team were Jim Murphy, Don Kamerath, Richard Bowers, Bill Kenney, and Bill Richardson.

Harold Brooks

South's speedy back is hit hard by Sandy Morris, while Cal Clark (35) and Gordon Woolley (20) come to aid him.

"B" Football

As far as football is concerned, East can look forward to a rosy future. With the reinforcing strength which the "B" team players bring, future varsity squads should be very strong.

The "B" team hung up a spotless record this year. They won every game and finished on top of the league. The team and Coach Harold Johnson should certainly be congratulated on their fine work. Among the outstanding players of a championship team were Glen Nielsen, Judd Nielsen, Blaine Barnes, Harlow Pickett, and Tom Jensen.

Tom makes a masterful speech of presentation.

Homecoming

As a fitting climax to East's season, we celebrated the annual Homecoming Day. The returning alumni, along with the present student body, enjoyed the assembly and the first big dance of the year. Queen Suzy Harris reigned over the celebration, with Mary Lou Young and Judy Stoddard as attendants.

The Radio Club has given its members experience in an extremely interesting activity. This group has sponsored the Junior Town Meeting of the Air broadcasts, which originated in East's auditorium, and has supervised the presentation of the Inquiring Editor program. The development and enjoyment of radio speaking comes to the active members in this club.

The successful presentation of the annual school play highlighted the activities of the drama department. Through a double cast many were given an opportunity to display their dramatic talents. Miss Alta Redd may well be proud of the performances she directed.

Debate

The debate teams of East have well represented their school in speech tournaments this year. In the Weber tournament East took a first, a second, and a third place, giving East enough points to win the Sweepstakes Trophy. In the state tournament at the University of Utah, one of East's teams reached the semifinals. Under Mr. Zarr's able direction this school function has become a favorite. The debate question this year was *Resolved: That the Federal Government should provide a system of complete medical care available to all citizens at public expense.*

Latin Club

Topping off a successful year with their annual Roman banquet, the Latin Club relived the days of old Rome with all its splendor. Activities typical of that day were carried out in the interesting program. Miss Van Pelt has led her students to a greater understanding and appreciation of the contributions which the Latin language and Roman culture have made to our civilization.

German Club

Under the direction of Mr. Zarr, learning the language and characteristics of the German people was not only educational but enjoyable as well. A Christmas party was only one of the activities which made participation in this group worthwhile.

Spanish Club

The annual Spanish Fiesta climaxed a year of acquaintance with Spanish traditions and *la lengua de Espana*. Projects made for the occasion proved instructive as well as very interesting. A program of Spanish dances and songs pleased the large audience in attendance. Miss Hartwell has brought to her students an appreciation of many things Spanish and Latin-American.

HARRY WALKER

The winner of the annual S. A. R. Oratorical Contest was Harry Walker. His forcefulness in speaking and his timely theme, "A Plea for Safety," brought him the well-deserved prize. We expect to hear more of Harry's accomplishments.

D. A. R.

MARILYN STEWART

Marilyn's winning oration, "Democracy and the Constitution," was enjoyed by all. Those who heard it will not soon forget the worth-while ideas in her speech nor will they forget the outstanding work she has done at East in public speaking.

Science Award

RICHARD ALDOUS

The Bausch and Lomb Science Award for 1947 was given to Richard Aldous, an outstanding student in all respects. His maintenance of exceptionally high grades in all his high school sciences, together with his other qualifications, made him worthy of the honor.

D. A. R. Citizenship Award

CAROL CORNWALL

For her outstanding scholarship, leadership, and personality, Carol received the Citizenship Award. She then competed with girls from six other Utah high schools for a trip to Washington. Carol didn't have to take first place among these to make us realize that she's "tops."

Orchestra

Under the expert direction of Mr. Arch Tueller, the orchestra gave its members a chance to acquire an understanding of good music and an opportunity to play that music. The orchestra formed an important part of the opera and other musical programs.

Stage Crew

Without the capable help of the stage crew, such productions as the school play, the opera, and assemblies would be impossible. Mr. Tanner and the crew gave much of their time to insure the success of these presentations.

Khem Klub

After being disbanded during the war, the Khem Klub was reorganized this year. Saturday field trips to industrial plants and research laboratories, and after-school speakers gave the members of this organization an unusual opportunity to learn of the wonders of chemistry and its possibilities as an occupation.

Ski Club

East High was called by the vice-president of the Salt Lake Ski Club "the most ski-minded high school in the United States." Boasting the largest club membership in the school, the Ski Club is also one of the most active clubs. During the winter season one or two busloads of skiers went to Alta each week. In the annual Knudson Cup race, the East Ski Team virtually "walked away" with the awards. Skiing is here to stay at the hilltop school.

Boys' Intramural Winners

In the Intramural League at East, Basement-7 captured an exciting championship game by defeating a hard-fighting five from C-9, 25 to 18. The game was a thriller all the way, but the team from Boys' Gym was too strong at the basket.

These feminine basketeers played their way into the place of honor in the girls' intramural basketball tournament. In the final game the "Tom Cats" defeated the "Tricky Teeners," 12-2, for the title.

Table Tennis

Esther Hadlock triumphed in the senior singles section of the E.H.A.G.-sponsored ping-pong tournament. Her consistent playing won for her the championship.

Arlan Bassett received a new table tennis set for his victory in the A. B. of E. tourney.

"A" Team Basketball

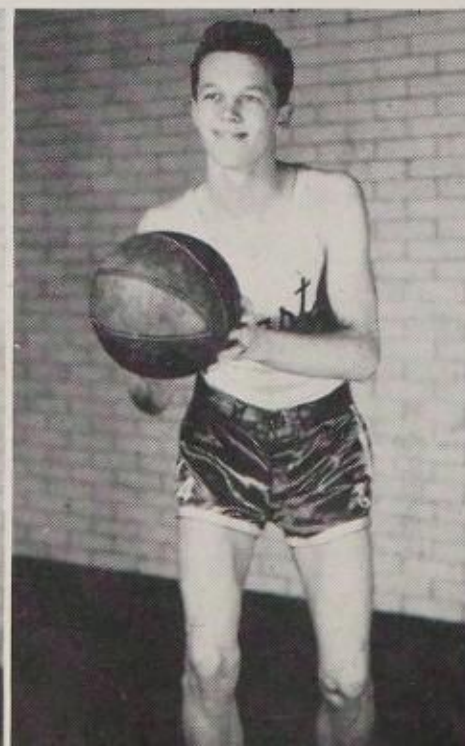

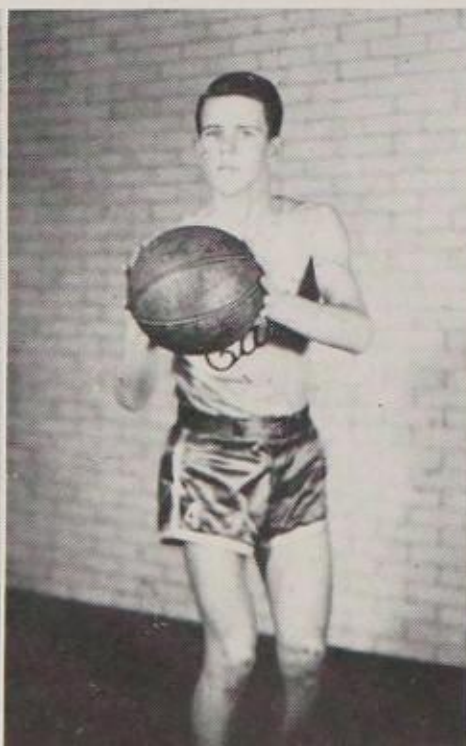

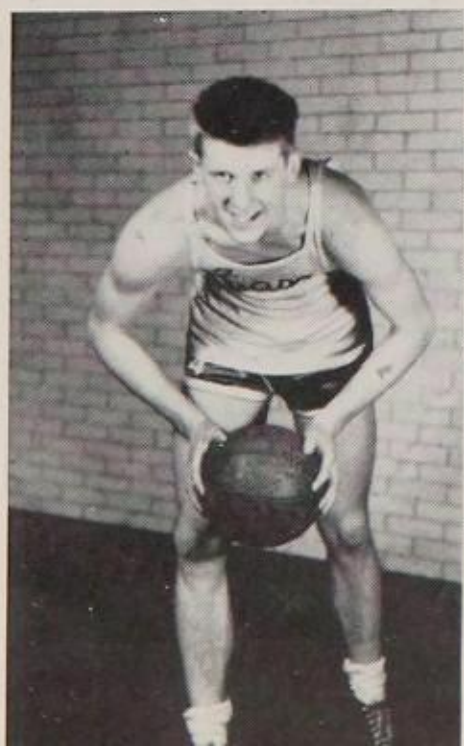

Winning four of their nine games, East's "A" team finished their regular season in a tie for fifth place with West High. In the playoff game the Leopards thoroughly trounced the Panthers 38 to 20 to gain a berth in the state basketball tourney. Even though they failed to click just right in the tournament and were eliminated, East's team was undoubtedly one of the finest in the state. The hard work done and the sportsmanship exhibited by the team made East High proud of its basketball squad.

Junior Varsity Basketball

The Junior varsity not only won first place in football but repeated the performance in basketball. Losing only to West High, the JV's stacked up nine victories to finish at the top of the league. The fine record which this team made this year is certainly praiseworthy.

Another basket is scored in the hard-fought East-West game.

"B" Team Basketball

The juniors came through to repeat the record of last year. They finished atop the league with a perfect record. The wonderful ball the fellows played leads us to expect great things from our varsity squads of succeeding years.

Wrestling

In spite of limited facilities Coach Iman Hales turned out an exceptionally fine team of grunt-and-groan artists. The team entered four meets with Millard and Davis High Schools, two of the strongest teams in the region, and made a good showing. In the state championship wrestling meet at the University of Utah, which East entered, Gordon Hansen won and several other members of the team were runners-up in their respective weight divisions.

Swimming Club

The Swimming Club met regularly at the Y.W.C. A. pool to participate in the graceful sport. Special instruction in swimming and lifesaving was offered. Though the primary motive for the club was pleasure, many benefits were derived from it.

Bowling Club

"It's a strike!" That phrase became quite common before the end of the year's session with the bowling ball and pins. "Rose Marie"

The presentation of the operetta "Rose Marie" was the crowning achievement of the East High music department. A double cast made it possible for many of the capable singers to take part in the opera. Capacity crowds filled East's auditorium on both nights to witness this story of love and violence in the French-Canadian woods.

Track

This year's outstanding track team nearly repeated the record of last year's State Champions. East won every meet it entered as a team up to the state meet, including the regional meet. In the state track classic at the U. of U. stadium South edged out East to win by $\frac{7}{8}$ of one point, $70\frac{1}{4}$ to $69\frac{3}{8}$. East's six first places were won by Chick Thomas in the high hurdles, Dave Trask in the 100 and 220, Bob Earl in the 880, Bill Richardson in the mile, and an East squad in the 880 relay. Three returning members of last year's team, Cal Clark, Bob Earl, and Bill Richardson, helped win many vital points for East. This team has made East High School justly proud.

Behind scenes . . .

It might as well be spring . . .

Frankie! . . .

The End

The members of the Eastonia staff, and the editor in particular, wish to thank the students of East for their splendid cooperation and help in making this book possible. It is intended as a book of memories to recall to your minds now and in the future the fun we had and the things we learned during this year. We hope that you will enjoy this book and appreciate the efforts of the many people who worked to make it successful. In your hands we leave *your* yearbook, the 1947 Eastonia.

ED KIMBALL,
Editor.

We Thank and Appreciate

Years of Outstanding Year-Book Photography

During the past quarter of a century the Ecker Photographic Studio has been privileged to work with the staffs of more than 100 different college and high school annuals . . . and has taken more than 100,000 individual portraits to record the history of one graduating class after another. In this unique accomplishment we take both pleasure and pride . . . pride in the high standards of quality that have won and held your patronage . . . and pleasure in the associations that have ripened into many lasting friendships.

Now I'll tell you what
we're going to do folks---

For all you students who received a fountain pen for graduation or a Christmas present — or even if you bought one yourself — we are going to reserve an area of our pool (where you swim in water fit to drink) for the testing of these said pens . . . you can prove that they will write under water . . . We might be able to get some water-proof paper . . . if not, you can scribble to your hearts' content on the bottom of the said pool.

Verne

Since it has been around about 18 hrs since
the eventful ~~time~~ time. I imagine you feel a hell
of alot better about the whole thing. How
was it? Good luck

Kay Burbridge

Verne

Here's to a swell kid and I wish you
a lot of luck next year.
